

**GREEN TEAM Meeting**  
**Minutes**  
**October 28, 2011**

In attendance: Kim Zimmerman, Jenna Fields (Ecology Commissioner), Fabienne Esparza

- Reviewed plans for eWaste Drive in January. Also, discussed scrap metal recycling. Valley Recycling on 7<sup>th</sup> Street in San Jose would like to work with us on this.
- Updated composting plans—The group went out to lunch area to look at possible sites for vermiculture composting. A small slab of concrete will need to be poured. Will get volunteers.
- Mrs. Z talked about some exciting plans for the garden including using the pond area to show habitats and water cycle.
