

**March 10, 2011**

**PTG General Meeting:** 8:15am

**Opening Prayer:** Kassie Giubileo

**Reading/Approval of Minutes:** Read by Sara, Motioned to approve by Arleah, seconded by Sandra

**Principal's Report:**

Stations of the Cross will be very Friday during lent except for mission carnival day.

Next Wednesday the teachers will be going to a curriculum day.

Choral Festival is March 29<sup>th</sup> and 2<sup>nd</sup> grade will be representing the school.

Science camp is coming up.

PE shirts were given to 2 students to check out. Ms. Esparza is looking at the extra cost and material appearance on both male and female students so we may stick with the same shirt.

The school did apply for a building grant to replace doors at far end of hall by outside bathrooms and for security cameras. Total cost is about \$20,000 for the cameras and the grant would be about \$10,000. The upside is that we would also be able to expand on the system in the future. We won't know until April if we have been awarded the grant.

**Development Report:** Danielle Boulger, Director of Stewardship

Annual appeal: We are at \$29,128.00

Bishop's Raffle tickets are on sale now.

Danielle is also working on the Fall Fun Fest, specifically regarding vendors; the cost is \$100 for 3 days.

**Financial Report:** Teri Tanner

We have \$34,683.17, and are split between South Valley National Bank and Heritage Bank.

**Ways & Means:** Arleah Fields/Sandra Grisedale

Auction: There is a meeting tonight at 7:00pm at Kassie's house. Tickets are on sale every Monday, Wednesday & Friday after school. There was a question of free dress passes. There will be free dress passes for sale (\$5 each) at the auction. Basket day will be March 16 so please

get all items turned in. We need ribbon and basket filler as well as baskets. Second grade had a question of not doing the mosaic and why? The answer was that cost and labor is too much. The kit to do it was bought, not donated and it is not as easy as you might think. Mrs. McManus has said the 2<sup>nd</sup> grade item is popular because it's 2<sup>nd</sup> grade, not because it's the cross and prayer book. March 11<sup>th</sup> is the deadline to turn in artwork for the contest.

**St. Patrick's Day** is March 17<sup>th</sup> and the students are allowed to wear green accessories. The following day is mission carnival and they will be allowed to wear 50% green. Also there will be \$2 free dress passes available for purchase at mission carnival.

**Art in Action:** 6<sup>th</sup> grade is in the library and Kinder will be next.

**Yearbook:** Deadline to submit photos are March 11<sup>th</sup>. The School Advisory Council has suggested working the cost of the yearbook into the registration, so that each student would get a yearbook.

**See's Candies:** Friday, March 18<sup>th</sup> order forms go home, and orders are due back April 1<sup>st</sup>. It was recommended that the order forms go home on the 17<sup>th</sup> instead due to mission carnival. The order will be placed on April 6, received April 14<sup>th</sup>, and distributed on April 15<sup>th</sup>.

### **New Business:**

Sheila had a question of parent hour forms not being returned in a timely manner and wanted to know what is a reasonable timeframe to have them returned.

### **Old Business:**

PTG Board 2011-2012: We are still looking for a President. There is a possibility that we may have 3 parents doing Ways & Means. Elections will be in May.

Next meeting will be the State of the School on Wednesday, April 13th at 8:15am.

Meeting adjourned at 9:25am, motioned by Arleah, seconded by Sandra.
